

Messages from Heaven

Daniel, Jerusalem, 13-Jul-2020

Aba Aba Aba, do you see what's happening? Do You see what's happening Aba? I can't believe it's happening! It's really happening; we are really approaching the *Geula Shleyma mamash* very soon, very soon Aba, but we'll have to go through many, many days of fear and hopelessness and suffering. But Aba, *Beezrat Hashem* I hope that by next year, *Pesach-time*, we'll be in a much better situation.

The evil ones think they are controlling the world. They've been planning this for centuries to control the whole world! I hope that by *Pesach-time* next year everything will be much better, much clearer and we will merit seeing and greeting *Mashiach* also.

However, now the situation is very bad. The evil ones are trying to control and conquer the whole entire world. They are trying to put every single country, every single city under their rule of evil and destruction. They have a plan. We don't know exactly their whole plan but it's evil, evil, evil.

There is not a country in this world, at least no country that we know of, that their leaders are not part of this new world order, so to speak.

This new world order that pretends to care about the people of the world and wants to make everybody have equal rights. Supposedly they want everybody to be able to do their own thing, to be free to live as they want.

And the way that they want everyone to live is totally, totally against our belief! It's against Our Jewish heritage. It's totally against our *Torah*! It's totally against everything that we ever learned in school. They want us to live our lives based on our animalistic desires.

They want to feed us all kinds of pleasures and make us drunk from them. They want to make us confused and pull us away from *Hakadosh Baruch Hu*, from our G-d. *HaKB"H* is the only ruler of the world. He created the world and He created everything around the world and beyond the world, everything in existence He created. He is everything! There's nothing in the world that's comparable to *HaKB"H*. He is everything!

Come to Yisrael now! If you want to survive!

And these fools are trying to turn this world into their own private property that they can control. They're really fools and they really are very stupid because they believe that they can be instead of G-d **הַסְּ וְשׁוּלִים**.

How could they believe that they have any kind of strength even close to the strength of G-d?! They believe in the devil himself **יִמְחָ שְׂמוֹ וְיִזְכְּרוּ**.

They believe that the devil has all the strength. It might sound to some people like a made-up movie script, and really it is so incredible and so ridiculous that it is impossible to believe.

**לִיהוּדִים בְּחוּ"ל,
כְּשֶׁהִמְגִיפָה תִירָגַע
תַּעֲלוּ מִיַּד אֲרֻצָּה,
לֹא תִהְיֶה לָכֶם
הַזְדַּמְנוֹת גּוֹסֶפֶת!**

But the whole world is going to learn very soon that the only real power, the only real power that exists in this world is *HaKB"H Hakol-yachol* (**הַכֹּל יָכוֹל**) the Creator of everything and nothing can happen in the world against His will.

So you ask, why do we have to go through all this suffering? Because the Jewish people are the center of the world, the center of *Hashem's* Creation. The Jewish people were created for the future to be part of eternity.

Hashem is eternal. He is endless. He exists forever. *Am-Yisrael*, the chosen people of *Hashem* will continue on into eternity. The world cannot be taken over by armies, led by generals, led by people who believe in the *Satan*, the devil. They can't take over the world. They don't have the power, only *Hashem* has the power but He's letting them do what they want but soon they will realize that they can't overcome the strength and power of the *HaKB"H*.

HaKB"H is everything! The *reshaiim* have to see that they're fools. They have to realize their stupidity in thinking that they can overcome the One and Only, the Creator of everything, *HaKB"H*!

Once they see that and realize that and accept that, then they will leave this world and never be seen again. However, until that point *Hashem* is letting them rule over all the money in the world, all the finances of the world, all the cities of the world, all the armies of the world... almost everything!

They think that their strength and their magic, the magic that they've learned from the devil himself, can control the world with force, with guns and bombs. They think they can hide from *Hashem* in their bunkers deep under the ground.

They think that they can finish off *Am Yisrael* in their Fema Camps, in the concentration camps, just like they killed six million Jews in Europe. No! This time it will not work that way. They want to build a so-called new world with a much smaller population that will be their slaves and they'll be the rulers of everything. This will not happen!

They are sure that they can control everything. They brought on this Corona! However, most people that died from it either had other illnesses that were much worse or they were just murdered.

The vast majority survived and many didn't have any symptoms and there were many cases where they didn't feel sick at all.

The evil ones think that they can play G-d! Yes, they are very foolish and their foolishness is going to destroy them.

Am-Yisrael, it's time to pick up and leave the *Galut* (*diaspora*), the *Shechina* (שכינה) is no longer in *Chutz-laaretz*; it is no longer outside of the boundaries of *Eretz-Israel*.

We are not talking about *Medinat-Yisrael*; we are talking about *Eretz-Yisrael*. *Eretz-Yisrael* is Holy. It was given to *Am Yisrael* forever by *HaKB"H* Himself. *Medinat-Yisrael* is not holy and will not survive! It has always been ruled by the Zionists that are part of the new-world-order, and they will be destroyed.

Medinat-Yisrael is a creation of the devil himself. It's not the Jewish Homeland. *Eretz-Yisrael* is the Jewish homeland, but *Medinat-Yisrael* will disappear leaving us with only *Eretz-Yisrael* for eternity.

However, when a Jew comes to live in *Eretz-Yisrael*, he's living with the past. He's living with *Mamma Rachel* who was buried not far from *Yerushalayim*, he's living with the *Kotel-Hamaravi* (הכותל המערבי) where you can go and daven and feel the *Shechina* (שכינה) there, he's living with all the *Tzadikim* that are buried in the area of *Yerushalayim* and all over the land of *Israel*.

Everywhere one goes, *Tzadikim* are buried there. That's *Eretz-Yisrael*. *Hakneset* is in *Medinat-Yisrael* and they are evil! The *Knesset* is evil! And now they're showing their evil ways. The police is out of control. They enjoy hurting Jews. If they are indeed Jews themselves, I wonder how any Jew could hit a 13 year old girl because she's not wearing a mask. He can't be a Jew! Any so-called Jew that can beat up another Jew without mercy is not a Jew.

Now the evil ones are trying to take away our *Yiddishkeit* by force, our belief in *Hashem*, and they are using this corona to justify their brutal actions.

We're living in a state of dictatorship. It seems like it's a democracy, but it's not. It's not a democracy and all the democracies of the world are not democracies and anyway, what is democracy? It's a lie from beginning to end. And the only rule in the world is the Omnipotent *HaKB"H Hakol-yachol* (הכל יכול). He is everything.

We have to remember that, because we're going to go through a very difficult time. They're going to

persecute us in the worst way.

They didn't build Fema camps to make birthday parties. They built them to kill people. If you have a chance to look and see what's inside them, you should do so. You will be horrified. And they're all over the United States and even in *Israel*. They are in England, in Australia and in Russia. They are everywhere.

These evil people think they can destroy what *Hashem* has created, and I'm saying to you - it won't happen.

I'm begging all of *Am-Yisrael*, wherever you live in the world, the time has **come**. You have to pack your bags and **come** to *Eretz-Yisrael*!

Soon *HaKB"H* is going to throw out from *Eretz-Yisrael* all the people that don't belong here. The only ones that will be left are those that are loyal to *Hashem* and His *Mashiach*. *Mashiach* is already here, but we are not ready to receive Him. We have to work on becoming more spiritual which means to believe without a doubt that *Hashem* is the Omnipotent הכל יכול and there is no one like him in all existence.

We have to become closer to *Hashem* in order to see the Truth and want to live the Truth. And I know it's going to be very difficult for everybody to get up and leave their countries and come here voluntarily.

You're better off coming **now** to *Eretz-Yisrael* rather than to wait until after you will see and experience so much death and destruction. Therefore, you should try to **come** here soon, even if you have to live in a tent, be here, because it'll be the **safest** place in the world, even though right now it might seem the opposite.

Show *Hashem* that this is where you really want to be. Show *Hashem* that you love Him, that you believe in Him, that you know for sure that He is everything!

Hashem is the only thing that exists in the world - that gives the world its power, it's strength, it's form. He is the Creator of everything and beyond. We have to show Him our love.

We have to leave the *Gallut*, the diaspora and **come** back home, even if we have to live in a difficult situation, still we have to come home and show Him our loyalty and how happy we are to return.

The countries of the world never really adapted to us and we never really adapted to their way of living. Unfortunately, many Jewish *Neshamot* become lost in the lies of where they live, wanting to be like the *Goyim*.

Come back to *Eretz-Yisrael*, not to *Medinat-Yisrael*.

Am Yisrael, this is our moment of glory!

This is our moment in history, to show *Hashem* that we are with Him and only with Him, to show *Hashem* that we're not afraid because we know that only He can save us and our families.

You have to come to Him with your head bowed, not with arrogance, only with love, and then we'll be able to come to the *Beit-Hamikdash* and sacrifice *Korbanot* and merit eternity.

That's our goal. That is the reason for all the history that we went through, from the creation of man to the moment when *Mashiach* will reveal Himself; the moment that we'll be in the *Beit-Hamikdash*, the third *Beit-Hamikdash*, performing the sacrifices to *Hashem*. At that moment, everything will become clear. Everyone will be happy. Everyone will feel and know the Truth. And then we can go on for eternity.

Am-Yisrael, the time is now. I beg you; please do **come** and bring your families. It won't be easy. We're still under the rule of the evil ones. But this is the time to come. And don't be afraid, because if you stay in your countries, it will be worse and much more frightening in the future.

I beg you to open up your Jewish mind and your Jewish heart so you can understand my words and come to *Eretz-Yisrael* where you will find eternity.
