

Things are going to get steadily worse. We are going to see more trouble here in the Middle East and in the two Koreas, North and South, which will send chills up and down the spine of the western world. Keep your eye on Russia and on Turkey. They are central players in the war of the future.

There is almost nothing you can believe that comes out of the regular radio, television, internet, or newspapers. You also can't trust completely the alternative news, because it has been infiltrated by the so-called regular news or the fake news as it is known. However, anyone with a little bit of intelligence can figure out more or less what is the real news and what isn't. By Tisha B'av this coming week, or soon after, I feel that there will be a major change in the world as we know it. It could take a bit longer but somehow, I think not.

The State of Israel, the Israeli government has a master plan to finish off, Chas Vesholom, Yiddishkeit. They want to destroy what they would call the extreme Ultra-Orthodox Jewish religion. They are using force tactics which are sometimes heartless and violent. They have infiltrated the Frum community hiring so-called religious Jews who have been bought by the establishment to cause conflict between Frum Jews and Frum Jews. Unfortunately, they seem to be succeeding, Hashem Yishmor. Besides this they are promoting a program on the radio, on the television, in all the medias, pushing a new type of Israeli style Yiddishkeit watering down our sacred Torah and our sacred Minhagim and our connection with Hakadosh Boruch Hu. They try to fuse together Chareidi and the Chiloni as brothers sisters - family. Their banner is that we are all Jews and that its silly to be against each other. What is the difference if you keep Shabbos your way and we keep Shabbos our way. What's the difference if we feel weak and decide how many children to have. What's the difference if we daven every day in a Minyan of men, then why can't women join the minyan with the men. Many Frum Yidden have literally been bought by these arguments and are convinced that they can keep their Yiddishkeit and also blend in with the Chiloni world. This is not a new trick on the part of the Erev Rav and Amalek. We have been warned by our Gedolai Hador of former years that this will happen just before Moshiach comes. This way of weakening Yiddishkeit has been tried by many Reshoim. When they think they have succeeded to weaken Am Yisroel and their Emunah and Bitachon in Hashem, when the evil ones think they have destroyed Am Yisroel's Yiddishkeit, at that point in history Am Yisroel stood up and said Ad Kan, no more, and were willing to go to their deaths, but not give up their precious gift of being Hashem's chosen people with all the responsibility including all the hard work that every Jew has to be willing to take upon himself in order to continue to be Hashem's favorite children. This situation has repeated itself many times throughout history. Now too Am Yisroel, the true Am Yisroel, will stand up and say "no more". We will take no more! We will not let our children be taken by the leaders of the State of Israel who forgot their Judaism, who forgot their dependency on Hashem for life itself. Not only have they forgotten all of this but like Nimrod, Sodom and Ammorah and Rome and Mitzrayim etc. they fight against Hakadosh Boruch Hu, Hashem Yishmor. Even though Am Yisroel, the true

Yiddishe Neshomas, is very small in numbers, with Hashem on our side we are equal to the whole population of the world and more. No one can defeat Hashem! He is Hakol Yachol! He gives us everything that we need and He is the only one that can if need be destroy this world!

Remember your history Am Yisroel! The so-called Jews that are Amalek or Erev Rav will laugh at what I'm saying but I'm only repeating an eternal truth, Am Yisroel Chai V'kayom. Am Yisroel will live on. We are Hashem's beloved bride and the wedding will soon be performed upon the ruins of the devil himself and his henchman.
